Part 2: Reading Comprehension

Directions: Read the following passage and select the best choice (a,b,c,or d) to answer the questions.

To start, the sports must identify their needs very specifically: what level of expertise is needed? World-class? National calibre? Local? How many coaches are required at each level over the next five years? What resources / facilities/ teachers are available to train them? Are there existing training plans available in your sport that you can consider using? Who are the quality coaches or teachers in your area? Can they help you plan your program? Are there other sports bodies who have successfully implemented coaches training plans?
