متن ها و ابیات زیر را به فارسی روان ترجمه کنید.

1-Two questions I want to deal with, then are first :What is the relation of English as the mother tongue to English as literature? Second: what is the social value of study of literature and what is the place of the imagination that literature addresses itself to, in the learning process?

2- The language you use on this level is the language of practical sense, a language of verbs , or words of action and movement.

3- The poet ,however ,uses these two crude ,primitive ,archaic forms of thought in the most uninhabited way, because his job is not to describe nature, but to show you a world completely absorbed and possessed by the human mind.

4- For constructing any work of art you need some principle of repetition or recurrence.

5- The head that has a brain will practice generosity:

The meanly -minded lack both case and kernel!

Good he will see in both abodes.

Who to God's creatures brings some good

6-Next to its other functions, literature has in Iran always served as a medium for instruction and dification. Didactical works were among the first manifestations of Persian literature.
